Covers by Title

This A-Z listing will help you locate songs which are listed in the *Covers by Artist* section in *Volume 3* and who recorded them. 'Run Rudolph Run' (*Marvin Brodie-Johnny Marks*), 'Too Pooped To Pop' (*Billy Davis*) and "Mad Lad" (*Billy Davis*), are included in this survey because they are Berry originals, even though they were not written by him (at least, that's what the composer credits say). Conversely, although Berry's versions of 'I Got To Find My Baby' (1960) and 'Too Late' (1975) were both credited to him, they were actually covers of originals by Little Walter and Jimmy Wakely respectively. Remakes by other artists which follow Berry's arrangement may be found in *Soundalikes*.

In the list below, where the artist's name has a ★ in front, it means they are also listed in *Soundalikes*.

In all cases, the year shown is the *recording* year.

1974 (x2) means that the artist in question recorded 2 versions of the song in 1974, and so on.

Updated **May 2024**

(Source: Vol.4 of CBID, published 2013)

Referring to the list of covers on pages 1635 to 1675 (Vol.4). The additions on pages 2074-2085 are also counted for, and of course all the entries in the CBID Updates section of our Chuck Berry blog at <http://www.crlf.de/ChuckBerry/blog/>.

All marked in **red** are new entries, artists/songs, corrected years, new total numbers.

11 new Berry titles are added to this survey. Which mean that a total of **96** titles have been recorded by various artists and groups. A total number of **6034** versions. And if you look at page 1675 you will see that in 2012 we had 4556 versions, which means the total number have increased by some **1478** versions. Pretty amazing !

YOU TWO (1960)

1 artist / 1 version

Bunky & Jake (USA) 1969

(4556 versions = 2012)

6034 versions = May 2024

There are now **22** song titles in the **Top 100s** of Berry covers (see page 1030 in Vol.3). So here's an updated survey:

1. JOHNNY B. GOODE **814**
2. MEMPHIS, TENNESSEE **536**
3. ROLL OVER BEETHOVEN **438**
4. SWEET LITTLE SIXTEEN **317**
5. MAYBELLENE **273**
6. YOU NEVER CAN TELL **268**
7. RUN RUDOLPH RUN **248**
8. ROCK AND ROLL MUSIC **243**
9. PROMISED LAND **220**
10. LITTLE QUEENIE **157**
11. NADINE **156**
12. TOO MUCH MONKEY BUSINESS **150**

13. CAROL 148
14. NO PARTICULAR PLACE TO GO 145
15. THIRTY DAYS 143
16. BYE BYE JOHNNY 142
17. AROUND AND AROUND 141
18. SCHOOL DAY 133
19. BROWN EYED HANDSOME MAN 126
20. LET IT ROCK 122
21. I'M TALKING ABOUT YOU 116
22. REELIN' AND ROCKIN' 109

Except for #1 - #6 who are still at the top with most covers there are several changes on the rest of the above list. "Run Rudolph Run" especially! "Let It Rock" and "Reelin' And Rockin' " are new entries. "I'm Talking About You" didn't have that many covers at the time of publishing Vol. 3 in 2012, but it was included back then as 20 song titles sounded better than 19 (!)
As mentioned so many times before, this survey of Berry covers will never be completed in full since his catalogue is always interesting for various artists without regard to musical genre. And also there will be covers that we still don't know about.

COMPLETE ALBUMS FULL OF BERRY COVERS

You will find Chuck Berry songs (or the Berry arrangements of other people's songs) in the recording catalogues of many 1950s Rock and Rollers, in many of the 1960s Beat bands, in many of the 1970s Rock bands, also in the '80s and the '90s, and even today no month passes without publication of another Berry cover version. For a start you should listen to "Chuck B. Covered: A Tribute to Chuck Berry" (1998) and to "Rock And Roll Music: The Songs of Chuck Berry" (2017).
